

TECHNICAL DATA SHEET • MULTI-PURPOSE WELD INSPECTION EQUIPMENT

Model: CAT-20 / Cat # 20 (Combo Welding Gauge)

G.A.L. Gage Co. CAT-20 Combo Welding Gauge

Comprehensive Metric & Inch Multi-Welding Inspection & Measurement Tool

The **CAT-20 Combo Welding Gauge** (NWG-94 style) is a versatile multi-function stainless steel gauge engineered to perform multiple critical weld measurements in both metric and inch units.

Designed for precision fabricators and inspectors, it accurately verifies weld reinforcement, fillet leg size, throat dimensions, prepared angle areas, and general joint angles.

TECHNICAL SPECIFICATIONS & DETAILS

Manufacturer: G.A.L. Gage Co.	Model / Cat #: CAT-20 (GAL-20 Combo Welding Gauge)
Measurement Scales: Metric and Inch (32nds & decimals)	Angle Verification: Included angle area & General angle area (0° to 90°)
Material Construction: High-Grade Stainless Steel	Markings: Permanent Laser-Etched Graduations

KEY FEATURES & APPLICATIONS

- All-in-One Multi-Function Design:** Combines multiple inspection functions into a single compact tool for maximum field efficiency.
- Dual Metric & Inch Scales:** Features clear engraved scales supporting both imperial (inch/32nds) and metric units for international standards.
- Precise Angle & Dimension Checks:** Ideal for evaluating fillet weld sizes, crown reinforcement, undercut depth, and joint preparation angles.

ORDERING & PRODUCT OPTIONS

Model Number	Description
GAL-20 (Cat # 20)	Combo Welding Gauge — Metric & Inch Scale (Multi-Welding Tool)
NIST-CERT	G.A.L. Gage Co. NIST Standard Certification (Optional)
