

TECHNICAL DATA SHEET • PRECISION MEASUREMENT & WELD INSPECTION

G.A.L. Gage Co. CAT-SUB-28A Taper Gauge

Professional Dual-Scale Imperial & Metric Stainless Steel Taper Gauge

The **CAT-SUB-28A Taper Gauge** is engineered for precision measurement and repeated checking of weld sizes, slot widths, and gap dimensions in both shop and field environments.

Crafted from durable 410 stainless steel, it features dual-sided measuring scales with imperial inches on Side I and metric units on Side II for versatile global application.

TECHNICAL SPECIFICATIONS & DETAILS

Manufacturer: G.A.L. Gage Co.	Model / Cat #: CAT-SUB-28A (Cat # Sub 28A)
Imperial Range & Grad.: 1/32" to 5/8" (1/64" graduations)	Metric Range & Grad.: 1.0mm to 15mm (0.1mm graduations)
Material Construction: Premium 410 Stainless Steel	Scale Layout: Side I: Inches / Side II: Metric

KEY FEATURES & APPLICATIONS

- **Dual-Sided Scale System:** Features clear imperial markings on one side and precise metric units on the reverse for ultimate versatility.
- **High-Durability Construction:** Manufactured from premium 410 stainless steel to resist corrosion and wear during rigorous industrial inspection use.
- **Precision Graduations:** Engraved with fine graduations (1/64" and 0.1mm) to ensure exact weld size and gap verification.

ORDERING & PRODUCT OPTIONS

Model Number	Description
GAL-SUB28A (Cat # Sub 28A)	Taper Gauge — 410 Stainless Steel, Imperial & Metric Dual-Scale
NIST-CERT	G.A.L. Gage Co. NIST Standard Certification (Optional)
